Santa knows if you've  
been bad or good. Your  
next clue is where we stack  
the wood!

To stay on Santa's nice list,  
you cannot be a grouch.  
Now go look for a clue  
on your comfy couch!

The best part of the  
holidays is being with the  
ones you love. Find your  
next clue where we  
store the gloves!

Jingle Bells and Rudolph  
are my favorite holiday  
tunes. The next clue is  
with the forks, knives  
and spoons!

The reindeer pull a sleigh,  
not a car train or boat.  
You can find your next clue  
in the pocket of your coat!

The elves workshop at the  
North Pole when full of toys  
is a treasure trove. The  
next clue is on the stove!

Rudolph is the lead reindeer because his nose can be seen. For your next clue, check inside the washing machine!

Santa Clue wears a bright suit made of red. No go look where you rest your head

Holly leaves are deep green and the berries are red. Your next clue is under your bed!

Santa's white beard shows us he's pretty old. Your next clue can be found where we keep the food cold.

I know you love your show, but please pause it. Your Go find the next clue hidden inside a closet!

The elves are so festive wearing suits of red and green. Your next clue can be found where your backpack was last seen

Christmas isn't about gifts,  
it's about moments we  
share. Now look under  
where we sit to share our  
food..the chair!

Santa pops down the  
chimney, leaves gifts and  
departs with haste. Your  
next stop should be where  
your keep the toothpaste!

You're nearing the end and  
the pile of clues is getting  
larger and larger! Keep it  
up and find the next one  
near the phone charger!

Good manners are  
important, say thank you  
and please. Your next clue  
is where you store the keys!

Santa's reindeer are  
known for their abilities, be  
it prance dance or dash!  
Look for the next clue  
where we throw the trash!

Santa knows when you're  
sleeping and awake. Guy  
has lots of power! He also  
knows if you're clean, so  
check the shower!

Rudolph was called upon to lead Santa's sleigh and he was willing and able. Don't look high, look low low for your clue under the table!

Poor Rudolph. The other reindeer were mean and called him names. You would have been kind, so look by the board games.

You're not done yet! Keep going, there are several clues more. The next place to look is by your front door.

Are you using your brain yet? Good, they should make you think! Find your next clue under the kitchen sink!

With all the hunting and rhyming, hope it's been fun. There's one clue left, you're almost done! Look under the tree for the last one!

Oh, that Santa, with his laugh and twinkling eyes, a right jolly old elf is he. You may be jolly yourself to know your last clue is under the tree!
