

27 Fun Teenage Camping Activity Ideas

Camping with teenagers can be enjoyable or feel like you're pulling teeth trying to get them to do anything - don't worry though, I bet they'll love doing ATLEAST ONE of these things!

Something to keep in mind is that teens use their phones to talk to their friends - I know not all of us grew up with them, and some even ban them at camp! However, it's important to understand the changing times and not think the only way to camp is how YOU enjoy camping!

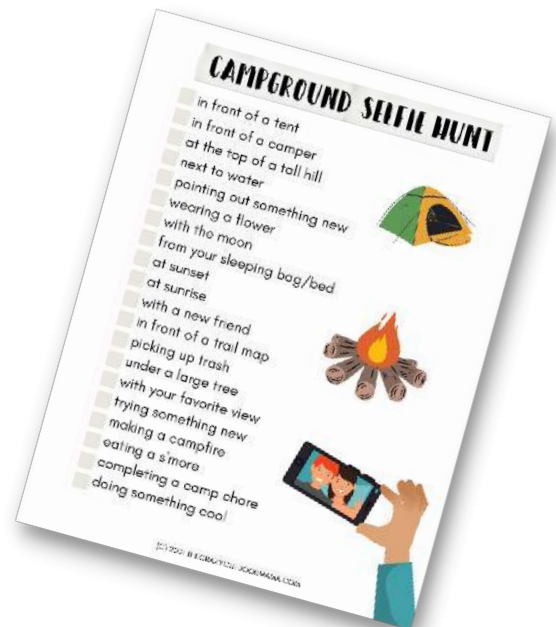

Instead, try to teach them interesting things to do with their phones (check the list!) They get a bad rap, but there is so much to be learned and activities to be had!
